

Label Protection

Label = Label Protection Tape. Wide rolls cover most labels in a single pass. Premium grade label protection tape. Pink acetate film eliminates glare and bar code scanning errors. Meets U.P.S. and U.S. Postal regulations. Excellent UV resistance. Low static.

PT = Pouch Tape. Pressure sensitive tape with a non-tacky, see through rectangular window. Use to attach and protect shipping papers. Excellent holding power. Clear acrylic adhesive will not yellow. Moisture and abrasion resistant. Quality 3M adhesive.

PTP = Pouch Tape Pads. 3M Pouch Tape Pads make attaching shipping papers easy and convenient. Portable for use around the warehouse. No dispenser needed. "Documents Enclosed" print. Case of 40.
