

# Specialty Die Cut Mailers

---

Specialty die cut mailers are designed with specific products in mind, **offering a more customized shipping solution than standard die cut mailers can provide**. Their unique shapes and reinforced designs make them ideal for items like posters, magazines, garments, and other irregularly sized merchandise. Our mailers' self locking construction helps keep its contents secure without tape and glue while the corrugated cardboard design offers enhanced durability for transit. All options are sold in bundle quantities and ship flat for easy storage. For bulk or custom sizing requests, please reach out through our [contact form](#).
