Corrugated Mailers

Made from corrugated cardboard, corrugated mailers are one of the top choices when it comes to shipping and packaging due to its eco-friendliness and superior protection. They are lightweight, helping reduce shipping costs, as well as flat, meaning they are easy to store and handle. Additionally, corrugated mailers are easily customizable, meaning they can enhance your branding as well as meet the unique needs of your products.

All dimensions are interior dimensions. Our mailers ship flat in bundle quantities. The minimum order is only 1 bundle per size. To reduce freight costs we combine bundles when ever possible. All mailers are ECT328/200# mottled white B flute single wall corrugated. For quantity discounts please contact us via LIVE CHAT for an instant quote.
