Hand Tape Guns

A good hand tape gun is one of the most-used tools in any shipping room. Hand tape dispensers let you apply and cute pressure sensitive carton sealing tape in a single smooth motion, so **boxes close faster and seals come out straight and secure every time**. This collection includes our most popular, budget-friendly tape guns for everyday packing along with a full lineup of 3M models. Choose a 3M pistol grip for a comfortable, controlled hold, an ergonomic design to reduce hand and wrist fatigue during high-volume sealing, or a durable hand held model in your choice of plastic or metal. **Whether you're outfitting a single packing bench or equipping an entire shipping team, there's a hand tape gun to match the way you work**
