Packing List/Invoice Enclosed Envelopes

For businesses that need to keep their packing list and invoice together and visible on every outbound shipment, these combination packing list/invoice enclosed envelopes handle both in a streamlined design. Rather than tucking financial documents in the box where they can be missed, these envelopes mount on the outside of the carton, **keeping both documents protected, organized, and immediately accessible to receiving teams**. Made from heavy 2 mil poly, they're built to withstand handling and the environmental exposure of transit.
