These fully transparent 2 mil poly envelopes mount directly to the outside of a shipment while **keeping an enclosed document fully visible and readable without opening the envelope**, perfect for documents, manifests, work orders, or any other paperwork where the contents need to be identified at a glance. With a **tamper-evident construction, our envelopes keeps documents clean, dry, and secure through transit**. Our clear face document envelopes come in our widest range of sizes, so there's an option for any document size your business works with.
