

Rigid Set Up Boxes

Apple LTD offers rigid set up boxes designed to protect and present your business cards and other small items with style and durability. For those who design, create, and ship business cards, our clean, white mottled mailing boxes provide a professional way to send your cards safely. For business travelers, our gray leatherette-finish boxes offer an attractive, durable option to **keep your business cards organized and protected on the go**. Whether for shipping, storage, or travel, Apple LTD has the business card boxes to fit your needs. Our rigid set up boxes ship in 100 per bundle, but you can inquire about larger orders through our [contact page](#).
