

# Office

Multi-purpose tape. Use for gift wrapping, combining, attaching and miscellaneous store use. Acrylic adhesive. Resists splitting and tearing. Easy to handle and apply. Resists yellowing and drying out.

Magic Tape. The very best tape for the office. Disappears on paper and won't show on copies. Pulls off the roll smoothly and cuts easily. Resists yellowing, splitting and tearing. Easy to handle and apply. Resists yellowing and drying out. Holds securely yet can be easily removed or repositioned. Great for cut and paste and temporary holding applications. Disappears on paper. Non-yellowing matte finish can be written on with pencil, pen and markers.

Double Sided Tape Perm.
